PRICE LIST

FOR

FALL 1928 — SPRING 1929

Ozark Nursery Co.

TAHLEQUAH, OKLAHOMA

PRICE LIST

DIRECT FROM THE NURSERY TO THE PLANTER

We furnished the State Market Commission this year, 1928, the apples for all their shows at the three Oklahoma State Fairs. 65 bushels, Oklahoma City; 65 bushels, Tulsa, and 71 bushels at Muskogee. We also entered the contest for Premiums at Muskogee and took the first prizes. We grew all these apples in our own orchards near Tahlequah. We have 100,000 apple trees growing in our Nurseries grafted from the same trees that produced the apples shown at these Fairs.

The other lines of stock shown in this price list come from the same high standard of propagation, which we think should mean a lot to you in planting your orchard.

There is no better authority on commercial orchard planting in Oklahoma than Ben Davis, owner and manager of Ozark Nursery, Tahlequah, Oklahoma.

Our terms are cash with the order.

The prices in this list are net on less than \$10.00 f. o. b. here for Express, or Parcel Post when postage is allowed. See table on back page to find the amount of postage to send.

\$10.00 to \$50.00 we pay the Express or Postage. \$50.00 to \$100.00 we pay Express or Freight and allow 5% discount. \$100.00 or over we pay Express or Freight and allow 10% discount.
